MAKE A BALLOON SHIRLEY

YOU WILL NEED

- ★ A BLACK BALLOON
- ★ FACE PIECES
(printed onto paper or card)
- ★ GLUE / STICKY TAPE
- ★ BLACK PERMANENT MARKER

STEP 1

Blow up a balloon and tie it in a knot.
This will be the head of your character.

STEP 2

Print the face templates onto card and
cut them out.

STEP 3

For the ears, fold the pieces in half so you have the same design front and back.
Fold out the tabs on either side and use these to stick the ears to your balloon
using sticky tape or glue.
